

Santa Rides on Sunday to Benefit Corporal John Lapham

The **Atkinson Fire Department** will be holding its annual **Santa Ride** on **Sunday, December 23**. Santa will be visiting every Atkinson neighborhood to deliver goodies to all the good boys and girls.

This year, Santa's helpers (the Atkinson firefighters) will be conducting a boot drive to benefit Atkinson Police Department Corporal John Lapham. Officer Lapham, who is also the Atkinson Academy DARE officer, has a wife and two young children. They could use our support.

So listen for the fire engine coming to your Atkinson neighborhood on Sunday. Open your doors to give the kids a good look at Santa, and please open your hearts to help out the Lapham family.

Donations can also be made though the mail. Checks can be mailed to:
